**Q9** I'm going to read you two statements. Which of these statements do you agree with more?  
Here's the first statement:

We should eliminate the estate tax because death should not be a taxable event. It simply punishes those who succeed, especially small business owners and family farmers.

Here's the second statement: Eliminating the estate tax will give a huge tax break to millionaires and billionaires. We need to keep the estate tax to make sure the wealthy pay their fair share of taxes.

*Agree more that we should eliminate the estate tax because death should not be a taxable event* ..... 54%

*Agree more that eliminating the estate tax will give a tax break to millionaires and billionaires*..... 46%

**Q10** I'm going to read you two statements. Which of these statements do you agree with more?  
Here's the first statement:

Eliminating the estate tax is a gift to millionaires and billionaires. They do not need another tax break, especially one that hurts our ability to improve schools, rebuild roads and fund Medicare.

Here's the second statement: We should eliminate the estate tax because death should not be a taxable event. It simply punishes those who succeed, especially small business owners and family farmers.

*Agree more that eliminating the estate tax is a gift to millionaires and billionaires who do not need a tax break*..... 46%
