

# BILLIONAIRES GOT **\$1.7 TRILLION** RICHER DURING THE PANDEMIC.

Here's what that \$1.7 trillion could be used for:

## Expand the Child Tax Credit

Restore the expired improvements in the Child Tax Credit from the American Rescue Plan. Provide more than 35 million households with up to \$3,600 in tax credits. Decrease child poverty by 40%.

## Cancel all student loan debt

Nearly one-third of all students go into debt to get through college, with an average debt of about \$39,000.

## All of this, as proposed by President Biden.

Lower healthcare costs  
Lower childcare costs  
Lower homecare costs

Lower housing costs  
Lower college costs  
Improved child nutrition

Paid family and medical leave  
Expanded Earned Income Tax Credit  
Medicare hearing coverage
