

# BIDEN'S PLAN FOR JOBS, INVESTMENTS & FAIRER TAXES

*To create an economy that works for all of us, President Biden will make corporations and the wealthy pay their fair share of taxes*

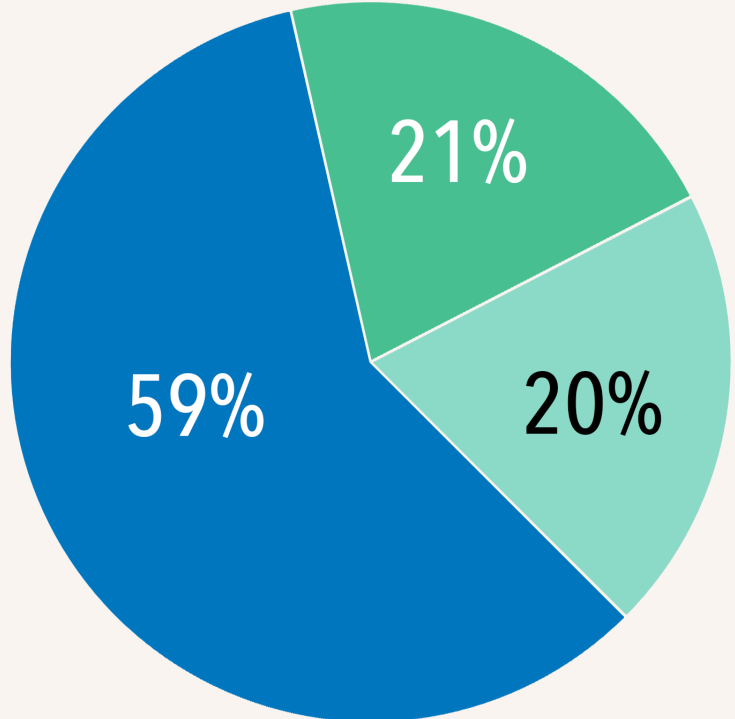

President Biden's American Jobs Plan and American Families Plan together would create millions of good paying jobs and strengthen families and communities. The plans will rebuild America's roads and bridges; expand the use and development of clean energy; make healthcare premiums, long-term care for the elderly, childcare, and housing more affordable; strengthen public education; and reduce childhood poverty. Biden's investments cost about \$4.2 trillion. He raises \$3.8 trillion by making the rich and corporations pay their fair share of taxes.
